

Best Western Gorizia Palace Hotel

We CARE about the safety of our Guests and Staff

We implemented the Best Western «**Special Protection**» program:
Best Western commitment in granting Guest's and Staff's safety

Before your stay

We enhanced technologies that allow us interaction with Guests:
check-in online and live chat with our reception are possible and
easy thanks to **Digital Customer Journey**

 **72 h**

Rooms are **regularly sanitized** with certified equipment.
In addition, according to availability we will do our best to assign
you rooms that were **not occupied in the 72 hours**
prior to your stay.

You will find specific signage and directions in all hotel's spaces in
order to **grant social distance**

Our hotel offers wide areas: sufficient amount of room and space's
organization allow us to grant **safety distance compliance**.

We are at your complete disposal for any further information

Best Western Gorizia Palace Hotel

We do *CARE* about our Guest's and Staff's safety

We implemented the Best Western «**Special Protection**» program:
Best Western commitment in granting Guest's and Staff's safety

In hotel

All staff wears **safety and protection systems** like facial masks and gloves when necessary.

If you don't have them, a **Safety & Security kit** is available on request.

All areas are **regularly disinfected**, **hand sanitizer gel** is provided in all common areas

To let your day begin with enthusiasm, **breakfast could be ordered in your room or served directly at your restaurant table**, according to social distance and disinfection guidelines.
